

EVENT SAFETY CODE OF CONDUCT

The Veterans of Foreign Wars is dedicated to providing a safe event experience for all participants involved including attendees, staff, and anyone else present at the event.

Given that the responsibility of a safe in-person event is equally shared among event organizers, event vendors, event sponsors, and event attendees, the VFW has developed the following code of conduct to which all participants need to abide by. This document outlines a collection of rules and regulations that include what is and is not acceptable or expected behavior and should serve as a reminder that if we all collectively respect the significance of this contribution, we are advocating for the well-being of our fellow global citizens.
