Department of New Mexico Proudly Presents

Lee Ann Lam

for the office of
National Guard 2018-2019

After careful consideration and encouragement from several Past National Presidents and National officers, I am announcing that I am a candidate for the position of **2018-19 VFWA National Guard**. After speaking with my Auxiliary 3015 and the Department of New Mexico, I have their approval and full support.

I am very active in our organization as well as the MOCA. I feel very strongly about our programs and our future. I am well qualified to fill this position and move forward in this organization. If elected, I would continue to work hard for our veterans and their families, and aid for our Auxiliary.

I am retired, having over 28 years with Civil Service, 22 of which was managing the Clovis Veterans Outpatient Clinic. I also worked at the Boise Military Entrance Processing Station (MEPS) doing physical exams. I volunteer at the Amarillo VAMC with the MOCA to assist with bingo and visit with the inpatients. Assisted in Budget and Analysis. Maintained Patient Levels to keep our Financial contracts and keep our staff paid.

My husband Gordon is retired Air Force, serving 22 years. His father and brother and also retired Air Force. Our son Ben served in the Army. Gordon & I have been married over 40 years, 22 of those years making our home wherever the military sent us. I take great pride in my family, children & grandchildren, my military service and my service to the VFW and its Auxiliary. I wish to move forward within the Auxiliary.

I have participated in the American Cancer Relay For Life event for the last 10 years.

I work Wednesday and Saturday Bingos for the VFW and MOCA to raise money for various programs.

I feel that with my background, experience and knowledge, I have much to contribute to the organization and would be a strong asset.

I would like to ask for your support in pursuit of the nomination for **2018-19 National Guard**.
