We stopped by to say “hello” and introduce our wonderful organization to you.

Being a member of the VFW Auxiliary is an excellent way for you to ***serve veterans in our community.***

Last year, we:

- *Provided \$3 million in monetary aid to assist veterans, service members and their families.*
- *Volunteered 479,984 hours in VA medical centers, hospitals, nursing homes and veterans homes.*
- *Made 109,793 legislative contacts to help pass or block legislation that impacts veterans and their families.*
- *Awarded more than \$150,000 in scholarships and programs for youth.*

***It's a good feeling to know you are giving back and helping our veterans and their families. We shall never forget what they have sacrificed for us and our country.***
