

How To Upload A Video To YouTube

*** You MUST have a YouTube account. If you do not have an account. Sign up for an account. It is free!**

How to upload video to YouTube from a computer:

- 1 Sign in to YouTube.
- 2 At the top of the page, click Upload .
- 3 Select Upload video.
- 4 Before you start uploading the video, you can choose the video privacy settings.
- 5 Select the video you'd like to upload from your computer. You can also import a video from Google Photos.
- 6 As the video is uploading, you can edit both the basic information and the advanced settings of the video and decide if you want to notify subscribers (if you uncheck this option, no communication will be shared with your subscribers). Partners will also be able to adjust their Monetization settings. You can have a title up to 100 characters and a description up to 5,000 characters.
7. Click Publish to finish uploading a public video to YouTube. If you set the video privacy setting to Private or Unlisted, just click Done to finish the upload or click Share to privately share your video.
- 8 If you haven't clicked Publish, your video won't be viewable by other people. You can always publish your video at a later time in your Video Manager.

How to upload video to YouTube from iPhone or iPad:

Use the YouTube iOS app to upload videos by recording a new video or selecting an existing one:

- 1 Sign in to YouTube and your desired channel.
